2009

DIRECTORY OF SITES

A main feature of Title I of the Workforce Investment Act (WIA) of 1998 is the creation of a One-Stop customer delivery system. Through this system, customers can access a broad range of employment-related and training services at a single point-of-entry. The following programs are required to deliver their services through the One-Stop system.

- | | |
|--|---|
| - Title I of WIA (adult, youth, and dislocated worker) | - Vocational Rehabilitation |
| - Job Corps | - Adult Education |
| - Native American programs | - Postsecondary Vocational Education |
| - Wagner-Peyser (Employment Service) | - Community Services Block Grant Employment & Training activities |
| - Unemployment Insurance | - Housing and Urban Development Employment & Training activities |
| - Trade Adjustment Assistance | |
| - Senior Community Service Employment | |
| - Veterans Employment & Training | |

One-Stop Centers in Arizona are defined in the following ways:

- **Comprehensive One-Stop Center** – The basic services of the above listed partner programs are available on-site. This includes co-location of most staff from these programs.
- **Affiliate Site** – Most of the basic services of the required partners are available on-site. Also referred to as Satellite Locations, these can be facilities operated by one program but with other partner staff on-site. Information on all of the above listed partners programs is also available at this location.
